PROJECTS

Amazon Music Product Marketing and Branding Externship, San Francisco, CA

Jan 2025—March 2025

- **Led UX/UI rebranding initiatives** with Amazon Music's product team, including PM Ebube Anizor, leveraging human-centered design principles to enhance engagement (focus on Gen Z users) and integration of delivery services into music discovery/consumption.
- **Developed social media campaigns and visual assets**, including reimagined yearly recaps as interactive posters, to drive brand awareness and increase membership within Amazon Music's **80M+ user base**.

WORK EXPERIENCE

WingRep (former SelfActualize.AI), San Francisco, CA

Jun 2025—Aug 2025

Project Management, Marketing and Sales Intern

- **Directed a full-scale rebrand**, managing timelines and deliverables across naming, messaging, and visual identity; conducted competitor audits and market research and worked closely with Engineers to position WingRep for B2B SaaS growth.
- Led the **project management, design, content, and technical build of the new website** ([wingrep.ai](#)) end-to-end using Figma, AI/LLMs, and Webflow, integrating brand messaging, product positioning, and investor-facing content to be VC and fundraising ready.
- Produced a full suite of **branded and marketing assets**, including digital campaigns, video and podcast edits (Premiere Pro, CapCut, Descript), graphics (Illustrator/Figma/LLMs), decks, flyers, merchandise, and event materials, ensuring cohesion across all touchpoints;
- Collaborated with founders and GTM leaders on sales enablement and **investor materials**, supporting successful fundraising efforts (\$600K+ secured from angels) and **early customer growth** (5 new enterprises customers and \$20K+ ARR during internship).

The Garage, Northwestern University (Entrepreneurship Hub)

Marketing Aide

Sept 2024—**Present**

- Created and implemented dynamic marketing campaigns for 10+ events featuring renowned guest speakers, including content creation, photography, article/blog post writing, and press release crafting to enhance student business reach and campus-wide engagement;
- Offered strategic marketing and PR support/office hours for 55+ student start-ups, increasing visibility and engagement across campus.

Stone Co, São Paulo, Brazil (Remote)

Marketing and Human Resources Intern

May 2024—July 2024

- Developed a \$200,000 multi-faceted year-long talent attraction program for small strategic towns across Brazil;
- Conducted an in-depth analysis of persona, industry trends, and audience segmentation using over 5 years of data from 10+ companies;
- Established a detailed marketing plan with strategies tailored to target audiences, including sponsorship programs, career fairs, and social media presence, while also developing media briefings for preparation and future steps.

LEADERSHIP EXPERIENCE

Brazilian Student Association (BRASA), Northwestern University

President

Apr 2025—**Present**

- Managed and oversaw a 13-member executive board, 1K followers, and 100+ students/alumni; direct event planning, marketing, and execution of 20+ annual professional, cultural, and recruiting events.

Marketing Campaigns Analyst (Global Board Member)

Jan 2024—Feb 2025

- Guided strategic planning and execution for the BRASA Summit Américas marketing campaign, achieving a **520% surge in event registration link access**, a **646% growth in accounts reached**, and a **464% boost in content interaction (highest ticket sales in BRASA's 10-year history and establishing the conference as BRASA's largest and most successful event to date)**;
- Spearheaded and **crafted daily content strategy** and graphics for Instagram, Facebook, TikTok, and LinkedIn, driving a 568% increase in impressions and generating over 40,000 views while managing the campaign's engagement metrics for 50,000 potential clients;

Corporate Relations Key Account Manager & UX Analyst (Global Board Member)

Aug 2023—Jan 2024

- **Prospected, negotiated, and cultivated B2B and B2C partnerships** with 20+ companies to increase the organization's opportunities for the development of products for **2000+ members and the revenue to \$185,000+** in 2023;
- **Directly assisted 13+ companies** (JP Morgan, BCG, BTG Pactual, Bain & Company, etc.) during BRASA Summit (the largest conference for 400+ Brazilian students in the U.S.), serving as BRASA's key account manager and ensuring the event's success.
